

My seasons wheel

1. Cut out this circle and the one on the next page. 2. Cut out the window on the top circle. 3. Push a paper fastener (a brad) through both middles. 4. Spin it to the season it is now.

My seasons wheel: the top

Cut out the circle, then the shaded window. Color the rest of the circle any way you like.

What season is it?

Spin the wheel to today's season. Who is visiting your house?
