

# Your own hunt: setup sheet

- 1 Hide the treasure first.** A present, a snack, a book, a basket. The last card goes with it.
- 2 Pick six to eight clues.** Or use the order below. Never the same room twice in a row.
- 3 Hide each card where the card before it sends them.** The grey strip on every card says where the next card goes.
- 4 Hand over the first card and cheer.** Little ones need you right beside them.
