

Make your own animal riddle

- 1 Pick an animal you know well.
- 2 Find one surprising thing about it. That's your tricky clue. (A cow's tummy has four rooms!)
- 3 Find the thing everyone knows. That's your easy clue. Save the sound for last.
- 4 Find two words that rhyme. Sea and me. Tall and all. Night and white.
- 5 Let the animal talk. Say "I" and "me". It's more fun when the animal is the one showing off.
