

Multiplication tracker: ten minutes a day

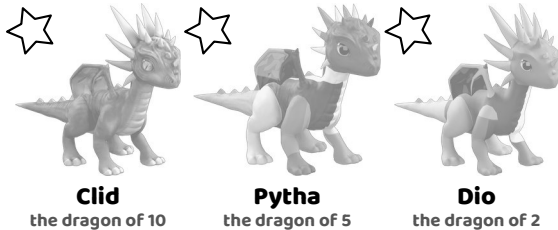

Tick a box for every day you practice for ten minutes. Color a dragon's star when you know its table by heart.

Name _____

Started on _____

Week 1 the 10s, the 5s and the 2s

24 new answers

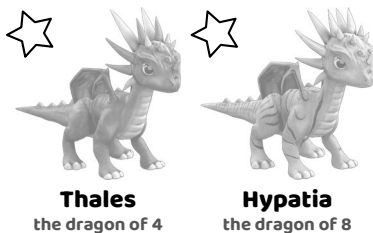

1	2	3	4	5	6	7
---	---	---	---	---	---	---

Still hard: _____

Week 2 the 4s and the 8s

11 new answers

8	9	10	11	12	13	14
---	---	----	----	----	----	----

Still hard: _____

Week 3 the 7s and the 3s

7 new answers

15	16	17	18	19	20	21
----	----	----	----	----	----	----

Still hard: _____

Week 4 the 6s, the 9s and the 11s

3 new answers

22	23	24	25	26	27	28
----	----	----	----	----	----	----

Still hard: _____

$24 + 11 + 7 + 3 = 45$ new answers in four weeks. The 11s come on top: they are a pattern, not a memory job.
