

# Our Christmas Eve

Write in the times and what you'll do, then tick each one off as it happens.

|       |                                                                                     |                                                           |                          |
|-------|-------------------------------------------------------------------------------------|-----------------------------------------------------------|--------------------------|
| _____ |    | _____                                                     | <input type="checkbox"/> |
| _____ |    | _____                                                     | <input type="checkbox"/> |
| _____ |    | _____                                                     | <input type="checkbox"/> |
| _____ |   | _____                                                     | <input type="checkbox"/> |
| _____ |  | _____                                                     | <input type="checkbox"/> |
| _____ |  | _____                                                     | <input type="checkbox"/> |
| _____ |  | _____                                                     | <input type="checkbox"/> |
| _____ |  | <b>Bedtime. Santa only comes once everyone is asleep.</b> | <input type="checkbox"/> |
