

How to draw a gingerbread man

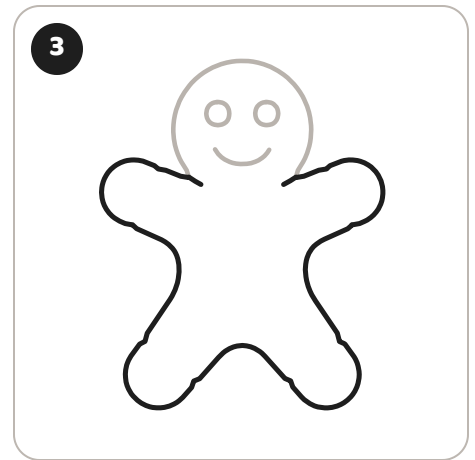

One step at a time: the black lines are new, the gray ones you drew already.

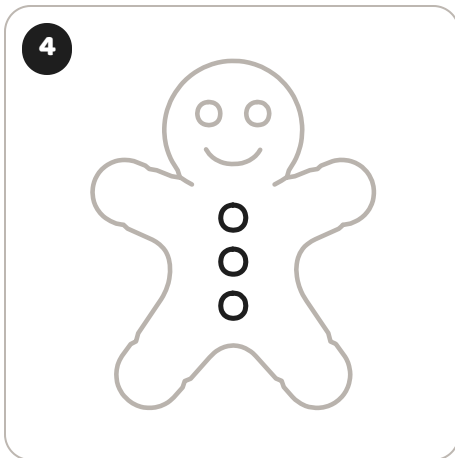

Let's draw a gingerbread man! First, a big round head.

Now two round eyes and a big happy smile.

Now his body, with two arms out and two legs, all in one line.

Now three round buttons down his tummy.

Last, zigzag icing on his hands and feet. Yummy!

YOUR TURN

My gingerbread man

Draw it here, then color it in.

A large, empty rectangular box with rounded corners, intended for drawing and coloring the gingerbread man.
