

How to draw a present

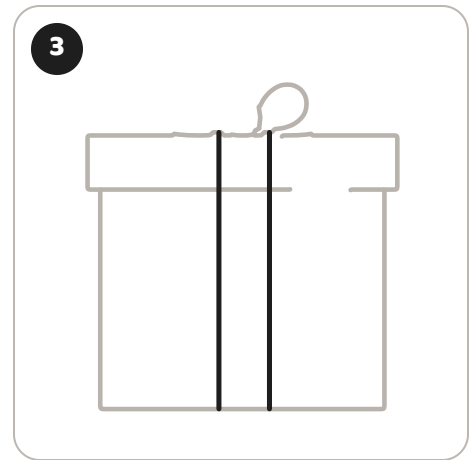

One step at a time: the black lines are new, the gray ones you drew already.

Let's draw a present! First, a big box: down, across, and up.

Now a wide lid sitting on top of the box.

Now two long ribbon lines from the top to the bottom.

Now a bow on top: a little knot, and two big loops.

Last, a string and a gift tag with a dot. Who is it for?
