

How to draw Santa

One step at a time: the black lines are new, the gray ones you drew already.

Let's draw Santa! First, his hat with a pom pom, and his face.

Now his big fluffy beard, and a round nose in the middle.

Now his big round coat, nice and wide.

Now one arm down by his side, and one arm waving hello!

Now a belt across his tummy, with a square buckle.

Last, two legs and two big boots. Ho ho ho, hello Santa!
