

How to draw Santa

One step at a time: the black lines are new, the gray ones you drew already.

1

Let's draw Santa! First, his floppy hat, with a brim and a pom pom.

2

Now his face under the brim: happy eyes, round glasses, and an ear.

3

Now a big curly mustache, and his fluffy beard down each side.

4

Now his big round coat, with a furry opening and a furry hem.

5

Now one arm down with a mitten, and one arm waving with a mitten.

6

Now a belt across his tummy, with a square buckle.

7

Now two legs, with a furry cuff on each.

8

Last, two big boots with wrinkles and soles. Ho ho ho, Santa!
