

How to draw a Santa hat

One step at a time: the black lines are new, the gray ones you drew already.

Let's draw a Santa hat! First, the floppy hat shape with a wavy bottom.

Now two little fold lines where the tip bends over.

Now a fluffy pom pom at the tip, with a bumpy edge.

Last, a big fluffy brim, bumpy all the way around. Ho ho ho!

YOUR TURN

My Santa hat

Draw it here, then color it in.

A large, empty rectangular box with rounded corners, intended for drawing the Santa hat.
